#### Information about registering as a recurring seasonal worker

If you have worked in agriculture, forestry, or tourism, with a seasonal employment permit, for at least 90 days per calendar year, for at least three calendar years within the last five calendar years, you can apply to register as a recurring seasonal worker in the respective sector. It is not possible to add up periods of employment in different sectors.

You can **file for the registration** at every local branch of the Public Employment Service in Austria. It is also possible to scan your filled out and signed application and send it by email to one of the following accounts:
